

2023 9th Grade Summer School

Registration: Virtual invite will be sent to the parents of all referred students.

Location: Pine City Area Learning Center: Pine City Civic Center (Hockey Arena) - North End

Summer School Schedule

We will offer a quarter credit of Intermediate Algebra, Civics, English, and Science. All classes run Monday through Friday.

Course Offered	Time	Dates
Intermediate Algebra	8:00 - 9:30 or 9:30 - 11:00	June 12-16 and/or June 19-23
English	8:00 - 9:30 or 9:30 - 11:00	June 12-16 and/or June 19-23
Physical Science	1130 - 1:00 or 1:00 - 2:30	June 12-16 and/or June 19-23
Civics and English	1130 - 1:00 or 1:00 - 2:30	June 12-16 and/or June 19-23

- **Attendance**

Classes run Monday - Friday. Students cannot miss a day. Students who are absent will be dropped from their course. Students can take one week for .25 credit per course or both weeks for .50 credit per course.

- **Work Completion**

In addition to their classroom sessions, students will have homework to complete. Students are earning 9 weeks of credit in a 1 week time span. Students who do not have their work completed on time will be given one homework warning. Failure to get back on schedule will result in removal from the class.

- **How do I register?**

Kari Hasz, PCALC director, will contact students who have been referred by their high school counselor. Parents will be sent enrollment forms that can be completed digitally. Parents and students will need to sign up for a registration session either in person at the ALC or using Google Meets to complete the enrollment process.

- **How much does this cost?**

PCALC summer programming is **FREE!**

Counselors, students and parents are reminded the PCALC Summer School is not part of the regular school year and participation is considered to be a privilege. Students who do not follow guidelines will be given one warning, and any further infractions will result in dismissal from this program.
