- **Attendance**
Classes run Monday - Friday. Students cannot miss a day. Students who are absent will be dropped from their course.
- **Work Completion**
In addition to their classroom sessions, students will have homework to complete. Students are earning 9 weeks of credit in a 1 week time span. Students who do not have their work completed on time will be given one homework warning. Failure to get back on schedule will result in removal from the class.
- **How do I register?**
Kari Hasz, PCALC director, will contact students who have been referred by their high school counselor. Parents will be sent enrollment forms that can be completed digitally. Parents and students will need to sign up for a registration session either in person at the ALC or using Google Meets to complete the enrollment process.
- **How much does this cost?**
PCALC summer programming is **FREE!**
- **What classes can I take?**
PCALC offers the following courses for summer school. Students may take 6 quarter credits, or 1.5 semester credits.
 - All required Language Arts courses
 - All required Social Studies courses
 - All required Science courses
 - All required Math courses, as well as FST
 - Health and Physical Education
